E-learning modules (For RCGP Drugs Part 1 and Alcohol only)

All delegates who will be attending a RCGP Drugs Part 1 or Alcohol face-to- training event must complete the e-module element within a 6-month period of attending the face-to-face/virtual event. This ideally should be completed prior to attending the training event. Course organisers are responsible for ensuring delegates complete this to receive certifications.

If an individual has completed their e-learning earlier than 6 months before the face-to-face training, SLD Training can reset their account so that they complete the e-learning within this 6-month window.

The e-module for RCGP Drugs Part 1 and Alcohol can be accessed at: <https://elearning.sldtraining.co.uk/login/index.php>.

Delegates must register with a username and password to gain access to the e-modules.
